

# Cookie Policy for Valetonsort.com

Effective Date: January, 2<sup>nd</sup> 2025

This Cookie Policy explains how [Your App Name] ("we," "us," or "our") uses cookies and similar technologies on our one-page application (the "App").

## What are Cookies?

Cookies are small text files that are placed on your device when you visit a website or use an app. They help us remember your preferences and improve your experience.

## Types of Cookies We Use:

We use the following categories of cookies:

**Technical Cookies:** These cookies are strictly necessary for the App to function. They enable core functionality, such as [mention specific functionality, e.g., maintaining user sessions, preventing fraud]. These cookies do not require your consent.

**Analytical and Performance Cookies:** These cookies help us understand how users interact with the App by collecting anonymous data about usage. We use this information to improve the App's performance and identify areas for improvement. These cookies require your consent.

**Targeting and Advertising Cookies:** These cookies are used to personalize ads that may be relevant to your interests. Since your app is primarily a calculation tool and may not have direct advertising, if you integrate any ad network in the future, specify here how they may use cookies. These cookies require your consent.

## Third-Party Cookies:

We may use third-party services, such as [mention any third-party analytics or advertising services you use, e.g., Google Analytics, if applicable]. These third parties may also set cookies on your device. We do not control these cookies, and you should consult the respective privacy policies of these third parties for more information. [If you don't use third-party services, omit this section.]

## Your Consent:

When you first access the App, you are presented with a cookie consent dialog. You can choose to:

**Accept Selected:** Agree to the use of the cookies you have selected.

**Reject All:** Decline the use of all non-essential cookies.

You can change your cookie preferences at any time by [provide instructions on how users can change their preferences, e.g., "visiting this Cookie Policy page again," or "clicking a 'Manage Cookies' link in the footer"].

**Managing Cookies:**

You can also manage cookies through your browser settings. Most browsers allow you to block or delete cookies. However, please note that blocking or deleting certain cookies may affect the functionality of the App. [Provide a general link to browser cookie management instructions, e.g., "For more information on managing cookies, please visit your browser's help documentation."]

**Changes to this Policy:**

We may update this Cookie Policy from time to time. Any changes will be posted on this page with a revised "Effective Date."

**Contact Us:**

If you have any questions about this Cookie Policy, please contact us at: [www.yesscompany.com](http://www.yesscompany.com)

**Important Notes:**

**Adapt:** This is a template. You must adapt it to your specific app. If you don't use certain types of cookies, remove those sections. Be precise about the cookies your app uses.

**Legal Advice:** This is not legal advice. You must consult with a legal professional to ensure your cookie policy and consent mechanisms are fully compliant with GDPR, CCPA, and all other applicable regulations. Cookie laws are complex and vary by jurisdiction.

**One-Page App Considerations:** Even if it's a one-page app, the cookie policy should be easily accessible (e.g., linked in the footer, or via a menu option).

**Consent Mechanism:** Make sure your actual cookie consent dialog works as described in the policy (managing scripts based on user choices). The code you provided is a good start, but ensure it's integrated correctly.

**gtag commands:** Ensure your gtag commands are correctly implemented to respect the user's consent choices (e.g., setting ad storage and analytics storage to 'denied' or 'granted' as appropriate).

**Regular Review:** Review and update this policy periodically, especially as privacy laws change.
